2020 USA Pastoral Movement List

GNM20 - 10004 August. 1. 2020

"Jesus saith unto her, Said I not unto thee, that, if thou wouldest believe, thou shouldest see the glory of God?" (John 11:40)

God gave us the promise, through the New Year's message, that in the year 2020, we will see the glory of God by faith. And despite the difficult circumstances surrounding the COVID-19 pandemic, God faithfully fulfilled His promise.

Through the Easter service, 6 million viewers heard the word of God in regards to being born again, and 1 billion viewers had the chance to listen to the gospel through the online Bible Seminar. 59 Broadcasting stations were connected in order to preach the gospel powerfully throughout the U.S. The path for regularly broadcasting Pastor Ock Soo Park's sermon series, "Lectures on the Gospel of John" on CTN was opened by God.

In latter half of the year 2020, at this time where the Gospel is being preached powerfully, we are following the will of God to move pastors to different churches. Please pray for the servants who will do the work of the gospel in their churches..
